WHAT YOU'LL NEED

- Headband Base: Can be found in all Spotlight Stores.
- Crafters Choice Rhinestones
- Francheville Cardstock
- Crafters Choice High Temp Glue Gun
- Bella! Glitz Loose Glitter Paper
- Optional- a Craft cutting machine

INSTRUCTIONS

Step 1 - Choose a headband to use as a tiara base. We have chosen the satin finish band available at Spotlight in baby Pink.

Step 2 - Create your design on the Design Space app- or you may choose to use an existing design and edit. If no craft machine is available, please hand cut-out a pattern of tiaras that you like.

Step 3 - Once you are happy with your design, choose your cardstock to cut: We have used a light pink colour from the Francheville Cardstock Roses 50 Pack.

Step 4 - Start cutting the base and weed out the design.

Step 5 - Now stick the cut-out onto a Bella! Glitz Card Paper to have bulk and shape.

Step 6 - Cut a close edge to create a base to stick onto the headband.

Step 7 - Now using the CC High Temp glue gun and sticks, stick the base onto the headband- ensuring it is centred and aligned.

Step 8 - Now using various styles of bling, decorate the base and create your own designs!

Step 9 - Your personalized Princess tiara is ready.
