## BOX SNOWMAN & NUTCRACKER

**e** EASY

### WHAT YOU'LL NEED

- Darice set of 5 paper mache boxes circle and square
- Spray paint in black, red and white.
- Adhesive foam sheets
- Satin ribbon
- Large pom poms x 3
- Large sparkly pom pom x 1
- Small gold pom poms
- Scissors
- Hot glue gun and glue sticks

### INSTRUCTIONS

#### SNOW MAN

**Step 1** – Spray the boxes following the cans instructions and do it in an open outside space. Spray all the boxes white except the smallest box, spray that one black for the snow man's hat. Allow to dry before spraying a second coat. Leave to dry completely before handling.

**Step 2** – Position the boxes on top of one another in order to build your snow man. You can use the hot glue gun to attach the boxes together if you wish or leave them separate.

**Step 3** – Cut shapes out of the adhesive foam sheets to create the snowman's face and buttons. Stick onto the boxes.

**Step 4** – Create his scarf by gluing the ribbon onto the lid of the third box using the hot glue gun. Glue 2 pom poms to the ends of the ribbon and one on top of his hat and your snow man is complete!

#### NUTCRACKER

**Step 1** – Spray the boxes following the cans instructions and do it in an open outside space. Spray paint the 3 bigger boxes red, the smallest box black and the second smallest box white. Allow to dry before spraying a second coat. Leave to dry completely before handling.

**Step 2** – Position the boxes on top of one another in order to build your nutcracker. You can use the hot glue gun to attach the boxes together if you wish or leave them separate.

**Step 3** – Have fun and bring your nutcracker to life by cutting out shapes from the adhesive foam sheets to create the nutcracker's face and uniform. Stick onto the boxes.

**Step 4** – To finish glue pom poms onto his armour and one on top of his hat and your nutcracker is complete!
