- 60cm Red Fleece
- 60cm White Fleece
- 20cm Grey Fleece
- 1.2kg Hobbyfill

**INSTRUCTIONS**

**Step 1** - Make template to size (50cm long). Using template, cut 3 pieces of red fleece and 3 pieces of white fleece.

**Step 2** - Sew each segment together, leaving a 15cm opening on last segment.

**Step 3** - Turn right way out, stuff well with hobbyfill and hand stitch opening closed.

**Step 4** - Using grey fleece, cut a circle 12cm in diameter, a rectangle 35cm x 9cm, a frill 35cm x 5cm and a handle 20cm x 5cm.

**Step 5** - Make handle: Fold both long sides in to the middle, fold one side on top of the other and sew down the length of the handle with a large zigzag stitch. Attach the ends of the handle to the opposite sides of the grey circle.

**Step 6** - With right sides together, attach frill to the rectangle. Attach rectangle to the circle and join edges of the rectangle together. Turn right way out.

**Step 7** - Tuck frill to the outside (out of the way) and stuff the top with hobbyfill. Pin top to cushion and hand stitch in place.

**Step 8** - Place dabs of glue on wrong side of frill and push frill into place on top of cushion. Allow to dry.
