ELIZABETH STUDIO

BOTANICALS CUSHIONS

e EASY

WHAT YOU'LL NEED

- Elizabeth Studio Botanicals Fabrics 2 square pieces 33cm x 33cm per cushion
- Iron-on interfacing
- 30cm zip to match
- Sewing machine and matching thread
- Scissors, tape measure, pins.

Read All Instructions Carefully Before Commencing The Project.

INSTRUCTIONS

Step 1 – Apply interfacing to both pieces of cushion fabric and overlock all edges.

Step 2 – Attach zip to the bottom edges of each piece of fabric - place 1 piece of fabric right-side up on the table. Open zip and place left side of zip face down along bottom edge of fabric. Stitch using a zipper foot. Place right side of zip face down along bottom edge of second piece of fabric. Stitch.

Step 3 – With right sides of cushion fabric together and zip still open, sew around the other 3 sides securing the zip ends at start and finish. Clip corners and turn right way out. Press.
