# FAIRY VILLAGE DOME

**e** EASY

## WHAT YOU'LL NEED

- Moss
- Moss Stones
- Deco Stones
- Moss Runner
- Fairy Village Fairy
- Fairy Village House
- Floral Lights Crackle Bulb
- Hot Glue Gun and Sticks
- Glass Dome

## INSTRUCTIONS

**Step 1** – Start by gluing the stones and moss to the base of the dome creating a mound.

**Step 2** – When gluing the stones add the string of lights having it pop out the gaps.

**Step 3** – Build up to half of the dome size.

**Step 4** – When at desired height make sure the top layer is level, make sure the fairy house fits under the dome.

**Step 5** – Glue moss runner.

**Step 6** – Glue down House and Fairy on the top.

**Step 7** – Have the battery pack behind the dome.
