FELT CHRISTMAS TREE GARLAND

e EASY

WHAT YOU'LL NEED

- 50cm of 2 x green Felt fabrics
- 1 x spool of ribbon
- Scissors
- Template
- 3M hooks

INSTRUCTIONS

Step 1 - Print out template and trace around template onto your felt fabrics.

Step 2 - Cut out as many trees as you need for your garland.

Step 3 - Use scissors to make 2 cuts into the centre of the felt where the ribbon will thread through. Ensure the cuts are wide enough for you ribbon to go through and are roughly an inch apart. Repeat on all your felt trees.

Step 4 - You can now thread your garland together. One by one thread each tree onto the ribbon, spacing them out as you go.

Step 5 - To finish, hang your garland using 3M hooks and tying the ends of the ribbon around each hook!

TEMPLATE

Note - This template has been scaled. You will need to print this template at actual size and blow it up by 200% to make it full size.
