INSTRUCTIONS

Step 1 – Bake and cool cupcakes.

Step 2 – Tint icing.

Use Color Right base colors and QucikCount color formulas to tint icing in the following shades:

- 13 BR + 12 Y + 3 O + 7 B + 3 BK = Olive Green
- 2 B + 30 Y = Summer Green
- Keep 3rd lot of icing plain white

Step 3 – Use ColorSwirl 3-Color Coupler filled with white and green icing colors. Fit with 1M tip and pipe swirls on cupcake tops. Sprinkle with white nonpareils or decoration of your choice.
