JOLLY & BRIGHT ADVENT CALENDAR

e EASY

WHAT YOU'LL NEED

- Kaisercraft Timber Advent Calendar
- DecoArt Metallic Paint
- Paper pad
- Scissors
- Francheville timber letters
- Glitter
- PVA glue
- Paint brush
- Double sided tape

INSTRUCTIONS

Step 1 - Assemble wooden calendar and glue together using the hot glue gun.

Step 2 - Paint the entire calendar with the DecoArt Metallic Paint and leave to dry.

Step 3 - While the calendar is drying, assemble all the small boxes and glue together with the hot glue gun.

Step 4 - Trace around the shape of the front of one of the boxes onto a piece of paper or card and cut out. Use this as a template and cut out 24 box fronts from different papers from the paper pads.

Step 5 - Use double sided tape to stick a piece of paper onto the front of each box.

Step 6 - In the paper pad there is a page filled with numbers for an advent calendar. Cut out each number and again use double sided tape to stick onto each box front.

Step 7 - Place all the boxes into the calendar and fill with goodies to create your advent calendar.
