PAINTED BOTTLE BRUSH TREES

EASY

WHAT YOU'LL NEED

- Jolly and Joy Bottle Brush Tree Packs
- Francheville Satin Acrylic Paint
- Paint brushes
- Water to clean brushes

INSTRUCTIONS

Step 1 – Lay out your trees in the order you want to display them and work out the gradient of colours for your paints.

Step 2 – Paint each tree individually using a large paint brush to get in between each brush of the tree. It can be a little tricky and time consuming, but the result is worth it.

Step 3 – Repeat step 2 with each colour and each tree.

Step 4 – Leave trees to dry before putting on display.
