# SCULPEY STAR WALL HANGING

## **i** INTERMEDIATE

### WHAT YOU'LL NEED

- 4 x Sculpey III Clay, 57g in White
- Sculpey Clay Tool Starter Set
- Rolling Pin
- Wilton Star Cut Outs Silver
- Needle or Punch tool
- Baking paper
- Twine
- Dowel rod
- Scissors

### INSTRUCTIONS

**Step 1** – Pre heat oven to 130C.

**Step 2** – Roll out white Sculpey into a large shape about 0.5cm high.

**Step 3** – Using the star cookie cutters, cut out varying sizes of star shapes from the Sculpey.

**Step 4** – Then using a needle or punch tool, create a hole at the top of each decoration for hanging.

**Step 5** – Lay decorations on a baking tray between 2 sheets of baking paper and bake in oven for 15mins at 130C. Once done leave the decorations to cool before handling.

**Step 6** – Cut varying lengths of twine, longer ones for the larger stars and smaller ones for the smaller stars and tie around each decoration securing with a knot.

**Step 7** – Hang your decorations on the rod so the stars go from small to larger in a diagonal pattern. Hang on the wall to finish!
