It's what you make it.

SPOOKY HALLOWEEN FACE MASKS

e **EASY**

WHAT YOU'LL NEED

• 30cm Cotton fabric

• Felt Sheet

• Scissors

• Pins

• Fabric Glue

• 60cm of Ribbon (4 pieces x 15cm)

INSTRUCTIONS

Step 1 – Download template and cut out 2 pieces for each layer of fabric. You should have 6 pieces in total.

Step 2 – Match the right sides of each layer together and sew along the curved edge with a 1cm seam allowance. Snip into the curved seam allowance with scissors.

Step 3 – Press the seams of each layer to one side and top stitch down. Repeat on each layer.

Step 4 – Layer the masks with right sides facing in. Pin and sew along the top and bottom edges with a 1cm SA.

Step 5 – Turn the mask right side out. Fold under the side edges 1cm and pin in place. Place the ties into the side seams.

Step 6 – Top stitch around entire mask edge to close side seams and secure the ties in place.

Step 7 – Draw and cut out your spooky decorations from the felt sheets. You could also use a cricut machine to cut out shapes if you have one.

Step 8 – Use the fabric glue to attach the felt to the mask. Allow glue to dry before wearing.

Step 9 – Repeat with other felt decorations to create a bunch of spooky masks! Happy Halloween!
