WRMK MUG TRANSFER

e EASY

WHAT YOU'LL NEED

- We R Memory Keepers Heat Transfer Quill Markers 6pk, Brights
- We R Memory Keepers Heat Transfer Quill Heat Resistant Tape
- We R Memory Keepers Heat Transfer Quill Silicone Wrap
- We R Memory Keepers Heat Transfer Quill Blank Mug

INSTRUCTIONS

CREATING AN IMAGE TO TRANSFER

Step 1 - Freestyle a design with your Transfer Pens or create a design with your electronic cutting machine using Transfer Quill Adapters (for instructions see Using Pen Adapters)

Step 2 - Create design on plain white cardstock. Thin paper may cause bleeding of ink onto Silicone Wrap or heat press.

Step 3 - Design should be mirrored image of final design.

USING PEN ADAPTERS

Step 1 - Select coordinating pen adapter for your electronic cutting machine and attach to Fabric Quill Pen.

A: Silhouette Portrait, Cameo 1-3

B: Brother

C: Cricut

D: Sizzix, Silhouette Cameo 4

Step 2 - Insert chosen pen into machine and fasten according to machine instructions. If machine has both blade and pen carriages use pen carriage.

Step 3 - Follow your machine's operating instructions for drawing pen.

TRANSFERRING YOUR IMAGE MUG BLANK, WATER BOTTLE BLANK AND OTHER CYLINDRICAL OBJECTS

Step 1 - Tape design ink side down onto Transfer Blank with Heat Resistant Tape.

Step 2 - Preheat oven to 400oF (200oC).

Step 3 - Using Silicone Zip ties, secure the Heat Transfer Silicone Wrap around the Transfer

Blank to provide pressure for transfer.

Step 4 - When necessary connect multiple zip-ties to reach around the entire circumference of your Transfer Blank.

Step 5 - Place in preheated oven for 13 minutes to transfer design.

Step 6 - Remove from oven. Caution: Use heat protection to remove from oven.

Step 7 - Allow to cool completely before removing wrap, tape, and paper.
